

Notice of Utility Rate Change

This year, the Indiana General Assembly repealed the Indiana Utility Receipts Tax, effective July 1, 2022. This was a tax required to be collected from customers and was paid by and through the Roachdale municipal gas and water utilities. As a result of this repeal, gas and water rates for customers of the Roachdale Gas and Roachdale Water utilities will decrease 1.38% effective July 1, 2022.

This notice dated April 20th, 2022.
